“These are great oven mitts. I have a pair of my own and use them pretty much exclusively for all the baking I do. I never worry about burning my hands through the mitts and they are flexible enough that I feel like I always have a good grip on what I am holding.”

- David M.

Bestgrip™ Oven Mitt

- Heat protection up to 500°F (260°C) for 60 seconds
- Hanging loop and magnet for convenient storage
- Available in conventional and puppet-style
- Wipe or rinse clean
- CE Compliant
- Ambidextrous

Item Code	Style	Length	Temperature Protection
SP-810CM15	Conventional	15" (381 mm)	Up to 500°F (260°C) for 60 sec
SP-810PM15	Puppet	15" (381 mm), 17" (432 mm)	Up to 500°F (260°C) for 60 sec

Enjoy outstanding heat protection and superior gripping ability with bestgrip™ Oven Mitt. Constructed in part with textured, non-slip Neoprene® material, bestgrip™ allows for a secure grip on hot sheet pans and handles. The reinforced webguard™ between the thumb and forefinger provides extra durability and protection. An integrated hanging loop and magnet allow for handy storage options. The magnet adheres securely to magnetic surfaces throughout the kitchen, or you can purchase our optional Hand Safety Organizer for added storage flexibility.

Cool touch™ Oven Mitt

- Heat protection up to 500° f (260°c) for 15 seconds
- Nsf certified (p149 class i)
- Ce compliant
- Steam protection
- Hanging loop and magnet for flexible storage options
- Available in conventional and puppet-style
- Ambidextrous
- Machine washable

Item Code	Style	Length	Temperature Protection
SP-CTC15	Conventional	15" (381 mm)	Up to 500°F (279°C) for 15 sec
SP-CTP15	Puppet	15" (381 mm),	Up to 500°F (279°C) for 15 sec

Exceptional heat and steam protection make cool touch™ oven mitts great for high heat environments. The kevlar® webguard™ provides extra heat protection and durability between the thumb and forefinger. An integrated hanging loop and magnet allow for handy storage options. The magnet adheres securely to magnetic surfaces throughout the kitchen, or you can purchase our optional hand safety organizer for added storage flexibility.

 Cool Touch Family

EZ-Kleen™ Oven Mitt

- Heat rating up to 450°f (232°c) for 15 seconds

 **Chemical Protection - Hand Safety**

“These are really great pair of pot washing gloves. They are good to have in the kitchen when heavy-duty cleaning involving corrosive chemicals is taking place.”

- Tom M.

Nitrile Glove

- Heat protection up to 185°F (85°C)
- Elbow length, flexible nitrile rubber glove
- Sold by the pair
- Available in sizes S & L

Item Code	Material	Size	Temperature Protection
SP-19NU-*	Nitrile rubber/ flock	S, L 19" (482 mm)	Protects to 185°F (85°C)

Our nitrile pot & sink glove is designed for serious scrubbing. Made of thick and flexible nitrile rubber, this elbow-length glove features enhanced heat protection and an embossed grip.

Nitrile Flock-Lined Glove

- Heat protection up to 195°F (91°C)
- Fda food-contact compliant
- Nitrile construction with embossed grip
- Cotton-flocked lining
- One package contains 12 pairs
- Available in M & L sizes

Item Code	Material	Size	Temperature Protection
SP-13NU-*	Nitrile rubber/ flock	M, L 13" (330 mm)	Protects to 195°F (91°C)

Our nitrile flock-lined glove provides heat protection up to 195°F (91°C). This medium-duty glove features a cotton-flocked lining for enhanced heat protection and comfort and an embossed grip. The nitrile rubber material is extremely durable and flexible; ideal for dishwashing.

Latex Flock-Lined Glove

- Economical waterproof latex glove
- Embossed grip
- Cotton-flocked lining
- One package contains 12 pairs
- Available in sizes M & L

Item Code	Material	Size
SP-620-*	Latex / Cotton	S, L

Our latex flock-lined glove provides excellent hand protection for everyday use in many applications/environments including food processing, janitorial and research laboratories. This latex glove features an embossed grip. A cotton-flocked lining provides for easy on and off, and absorbs perspiration for added comfort.

Neoprene® Dishwashing Glove

- Seamless; liquid-proof
- Heat protection up to 350°F (176°C)
- One size fits most
- Neoprene® rubber construction with textured grip

Item Code	Material	Length	Temperature Protection
SP-1214	Neoprene	14" (355 mm)	Protects to 350°F (176°C)
SP-1217EL	Neoprene	17" (432mm)	Protects to 350°F (176°C)

Our neoprene® dishwashing glove is designed to stand up to the toughest dish scrubbing needs. The one-piece seamless outer shell is coated with heat-resistant neoprene® rubber for heat protection up to 350°F (176°C). This glove features a jersey inner lining for comfort and added heat protection.

PVC Glove

- Waterproof pvc glove
- Heat protection up to 185°F (85°C)
- Cotton lining
- One package contains 12 pairs
- Available in 14" (355mm) and 18" (432mm) lengths; one size fits most

Item Code	Material	Length	Temperature Protection
SP-884	PVC/cotton	14" (355 mm)	Protects to 185°F (85°C)
SP-887	PVC/cotton	18" (457mm)	Protects to 185°F (85°C)

The pvc glove is ideal for cleaning and degreasing with soaps and detergents. Because of the durable pvc material and textured grip, this glove also works well with abrasive materials. The seamless construction is waterproof and provides heat protection up to 185°F (85°C) and features a cotton lining for comfort.

Neoprene Shoulder-Length Glove

- Shoulder-length, neoprene glove
- Heat protection up to 185°F (85°C)
- Cotton lining
- Machine washable
- Sold by the pair
- One size fits most

Item Code	Material	Size	Temperature Protection
SP-P31	Neoprene®	One size fits all	Protects to 185°F (85°C)

Our neoprene shoulder-length glove is designed for heavy-duty applications. At 31" (79cm) in length, this glove covers the whole length of the arm, all the way to the shoulder. The seamless and durable neoprene construction is waterproof and provides heat protection up to 185°F (85°C). The cotton interlock lining keeps you comfortable in both warm and cool settings. This is an ideal glove for food processing and food handling applications, as well as jobs where chemical protection is needed.

- Heavy-duty brass zipper with storm flap
- 2 Oversized insulated front pockets and chest pocket
- 2-Stall pencil pocket on left sleeve
- Heavy-duty knit cuffs
- Heel reinforcement patches
- Soft fleece collar

Item Code	Size
SP-0344	S,M,L,XL

Complete protection, supreme durability. Iron-Tuff® Coveralls give you all-over warmth in one tough garment. You can search, but you're not going to find such tough, long-lasting coveralls that will protect down to -50°F. Work in confidence, comfort and warmth in any frigid environment.

Iron-Tuff® Vest

- 11.25 oz. RefrigiFill™ polyester insulation
- Tear and abrasion resistant 400 denier nylon outershell
- Water-repellent, wind-tight finish
- Bound seams seal out drafts
- 2 Insulated front pockets
- Extended length back
- Stretch knit side gussets for comfort
- Insulated knit collar
- Heavy-duty brass zipper

Item Code	Size
SP-0399	S,M,L,XL

Keeping your core warm is vital to overall warmth. Indoors or outdoors, vests keep you warm while keeping your arms free to tackle your to-do list. The Iron-Tuff Vest is great for high activity, protecting your core while you check off every item and then some.

Using the Mani-Kare® Bandage Dispenser

First aid products are a major requirement for the foodservice industry and our first aid systems are tailored to meet these specific regulations. With SmartTab technology notifying you when you need to restock your kits, our FirstAid solutions help keep your kits compliant to industry safety standards.

Mani-Kare® Bandage Dispenser

- Pilferage resistant with locked upper compartment
- Simple one-handed operation for ease of use
- One-at-a-time dispensing to reduce waste
- Wall-mounted to save space
- Blue metal-detectable bandages to avoid serving contaminated food
- Beige colored bandages also available

Item Code	Dimensions
SP-MKBD100	6.38" x 12" x 2"

The mani-kare bandage dispenser provides sanitary and secure dispensing of bandages. The dispenser features a pilferage resistant cartridge system that loads in the upper compartment. The lower compartment allows for one-handed, one-at-a-time dispensing of ready-to-use bandages to reduce waste. This nsf dispenser mounts to the wall to save space.

Mani-Kare® Bandages

- Bandages are made from hospital-quality, flexible and breathable cloth
- Available in 5 different sizes
- Handy storage box makes bandages easy to find and keeps them clean
- Mani-kare value pack includes a variety of all bandages
- Latex-free

Mani-kare bandages have been specifically designed for dressing minor wounds that can contaminate foods during preparation. Mani-kare bandages are bright blue in color for easy detection in food, if inadvertently dropped. The blue color also makes proper monitoring of wound dressing by restaurant management easier, as bandages can be seen even under serving gloves.
