

Chef Tools

How food is presented is as important as the quality and preparation of the dish. Eating is an experience for all the senses, and maximizing the customer experience is the ultimate goal. We are proud to offer an extensive line of tools that provide chefs the opportunity to unleash their innermost creativity and vision. Brushes, wedges, tongs, and spoons can be used separately or together, to create a dizzying array of designs to wow patrons over and over.

Fryer Basket Identifiers

The fryer basket identifier from san jamar offers a simple solution to help operators keep from accidentally mixing product in fryer vats. Having separate fryers for different foods is an excellent start, but for complete protection make certain fryer baskets for fish never cook poultry product and vice versa. The fryer basket identifier is also excellent for allergen concerns such as peanut oil, gluten, or any other items that could be picked up in the fryer.

- contoured design fits most fryer basket handles
- haccp colors for color-coding your fryer vats
- dishwasher safe for easy cleaning
- snap closure for secure attachment and ease of removal

- Hygiene stickers are an excellent way of displaying key hygiene and food safety protocols and reminders around a kitchen. It is important to keep kitchen food hygiene standards to the highest level at all times, and these stickers act as constant reminders to your kitchen staff.
- In the long run, these stickers can reduce the likelihood of food-related mishaps and keep your overall kitchen operation standards at an all-time high.
